

THREE BROOKS NATURE CONSERVATION GROUP

The Three Brooks Nature Conservation Group was formed by local residents, with the aim of conserving and enhancing the Three Brooks Local Nature Reserve for the benefit of both residents and wildlife in Bradley Stoke. This friendly voluntary group meets on the first Saturday of every month to work on the reserve. If you would like to help to look after your local wild spaces, why not join us at one or all of the events below?

All workdays start at 10 am and finish at 4 pm, but you are welcome to leave earlier if needed. Wear old clothes and stout boots and bring a packed lunch. We provide all the equipment needed plus the essential tea, coffee and biscuits!
