Foraging Walk with Steve England

Sunday 14th July 2019
10.00am – 12.30pm

We would like to invite you to join us for a foraging walk with Steve England, Bristol's own wildlife ambassador & forager.

Whatever the season, there are a huge number of wild delicacies right under our noses. They're tasty, nutritious and don't cost a penny... if you know what you are looking for.

So whether you are looking to learn the basics of food foraging, want to expand on your knowledge, or just fancy a good day out in the woods to try some tasty wild foods come and join us.

This event is only made possible by our Service Level Agreement with Bradley Stoke Town Council and the conservation group gratefully acknowledges their support. Tickets are free but you will need to book them through Eventbrite:
